

Sponsorship Opportunities: HUBS Annual Meeting **30 April – 1 May 2019 | Wellcome Genome Campus**

This two-day conference will include sessions on research, higher education policy, and teaching and learning in the biosciences. It will include networking opportunities, poster sessions and tours of the Wellcome Genome Campus in Hinxton.

The conference provides you with a unique opportunity to:

- **Network** with leaders and decision makers from UK academia
- **Build brand recognition** and strengthen university partnerships
- **Demonstrate your support** for continuing excellence in skills development and higher education in the biosciences
